PRO-TUFF ONLINE REVIEW...

"I purchased some baseball decals from Pro-Tuff Decals recently and the team was ecstatic when they saw how they turned out. We got them super fast and with top notch quality. On top of it, they gave us some free american flag decals and we didn't even ask for them. You've got to love freebies. Customer service was great as well as the artwork design process. Thank you guys so much!"

DEAR PRO-TUFF DECALS...

"I just wanted to send a quick note to thank you for the helmet decals I ordered...I have to say I'm very impressed by their initial quality. The artwork looks amazing and the material itself is so much thicker and has better adhesive than other decals I have used in the past. Even on the curved surface of our helmets the decals lay flat with no bubbles or edges peeling."

PRO-TUFF DECALS ONLINE REVIEW...

"I purchased some baseball decals from Pro-Tuff Decals recently and the team was ecstatic when they saw how they turned out. We got them super fast and with top notch quality. On top of it, they gave us some free american flag decals and we didn't even ask for them. You've got to love freebies. Customer service was great as well as the artwork design process. Thank you guys so much!"

PRO-TUFF ONLINE REVIEW...

"I've been a youth league coach for 15 years and I cannot tell you how much I've enjoyed working with Pro Tuff Decals. From the selection, to the quality, to the prices they seriously cannot be beat. The customer service has always been excellent and super knowledgeable. We get free custom artwork whenever we design new spiritwear for the team. Our online fundraiser was a huge success this year and super easy. All we had to do was pick out items to sell to our team and then the parents went on the website to pick out and pay for what they wanted. Pro Tuff even made us a generous donation of yard signs for being loyal customers which we used to help with recruiting for tryouts. So pleased with this company. They really go above and beyond. Highly recommend!"
