

Ring Sizer

*In this example
Ring size is 9*

1. Print this sheet at **ACTUAL SIZE**
Use "Do not scale". Do not "print to fit".
Print on 8-1/2" x 11" Letter-size paper
Double-check correct printing by measuring line below. It should measure 3 inches.
2. Carefully cut out Ring Sizer at left.
3. Carefully cut slot on dotted line.
4. Roll sizer into circle, feeding end through slot.
Make sure numbers are on outside of circle as shown.
5. Place sizer around ring finger and pull end through slot.
6. Read your ring size on scale as shown.

Have a ring that fits? Determine size here:
